10 November, 2023

Press Release

In June 2023, an agreement of sale of Greenergy's Canadian retail fuel business (now known as BG Fuels) to Global Fuels was announced. Terms of sale were approved by the Competition Bureau in October 2023 and the transaction closed shortly afterwards in early November.

Competition Bureau resolves competition concerns with Global Fuels acquisition of Greenergy's retail fuel business | CCentral

The synergy between the Global Fuels and BG Fuels businesses is a perfect complement to each other, both sides bringing unparalleled expertise and operational excellence to the table in the continuation of growth of both portfolios.

END.
